

AJ GALICIA DE LEON

INFORMATION SECURITY ANALYST

PERSONAL PROFILE

Regarding the protection of sensitive data and information systems, I am an extremely driven information security analyst. Demonstrated ability for identifying, evaluating, and reducing security threats through the use of security policies. Has a desire to remain up-to-date on the latest developments in cyber risks and possesses good analytical and problem-solving skills.

OBJECTIVES

To obtain a challenging and rewarding position as an Information Security Analyst where I can utilize my technical skills, knowledge and experience to protect and secure sensitive data and systems for an organization. I aim to continuously improve and implement effective security measures to prevent cyber threats and maintain the confidentiality, integrity and availability of critical information.
